

Statement of WEEE Compliance for 2023

Stichting Organisatie Producentenverantwoordelijkheid E-waste Nederland (**OPEN Foundation**) hereby declares that, at the time of comprising JA Solar GmbH is registered with the OPEN Foundation as a producer as described in article 18 of the Dutch implementation of the WEEE Directive (the **WEEE Regulation**). With this registration JA Solar GmbH complies with its obligations under Dutch law regarding the registration as a producer at the Nationaal (W)EEE Register as well as the obligation to register with the OPEN Foundation as the holder of the generally binding statement from the State Secretary of Infrastructure and Water Management on the waste management agreement of the OPEN Foundation (the **AVV**).

Furthermore JA Solar GmbH has reported the electric and electronic equipment (**EEE**) they have put on the Dutch market (as described in article 19.3 of the WEEE Regulation), they have paid the waste management fee related to the EEE and that they have paid the registration fee to the Nationaal (W)EEE Register over 2023. JA Solar GmbH has also stated that they will comply with all other obligations they may have under the WEEE Regulation and the AVV.
